FROM THE NATIONAL PRESIDENT... *Louella Large*

Aloha Members,

We have been very busy in the National Offices. I would like to take this opportunity to publicly thank a few members who have stepped up and taken appointments on the National level: **Deidre Kelley** of Florida accepted the appointment of National Vice President. She has much working knowledge, as she has been the 6th District Director for some time, as well as a Past National Secretary. She is very qualified to hold the position of National VP. We are very fortunate to add men once more to the Executive Board: District 3 - **Richard Hugen** of Colorado; District 4 - **Gary Gerhard** of Texas and District 6 - **Alfred Pomeroy** of Georgia. This now makes our Executive Board complete for the remainder of this term with 4 Officers and 8 District Directors. Other positions accepted by willing members are: National Registrar: **Linda Hooks** of Ohio and National Parliamentarian: **Don Pavlik** of Ohio. **Joedy Adams** of California will continue to record and keep the records of our Child Survivors. I have been very involved with appointments and 2016 Convention details and have not sent names to the Executive Board for approval yet for our State Chairs. All perspective appointments must be approved by the Executive Board before the President can actually appoint them. We have many openings for State Chairs. If you are interested in helping keep the memories alive of our survivors in your state, please contact me. The duties of a State Chair are not time consuming nor hard. Plus, the National Officers and District Directors are there to give you any assistance needed. **Joe Kralik** has our FaceBook page and **Barbara Ford** covers our Website. **Jack Saxton** (long time) Small Stores will remain for the remainder of this term, at which time our new President will appoint a new Storekeeper. Jack has been extremely efficient with the Small Stores. If you are interested in that position, please e-mail me. And we cannot forget our Offspring Editor, **Carmen Harding**. We just couldn't do without her expertise and help. She has been there for us for years and does an outstanding job. Saying "thank you" just doesn't seem like enough for Joedy, Jack and Carmen. Hope they know how much they are appreciated! All three of them have devoted many hours over the years to SDPHS. They are very special people.

CONVENTION – I sincerely hope that each member has the opportunity to attend our 2016 Convention in Honolulu, Hawaii and join in the remembrance activities and planned events for the 75th Anniversary of the attack on Pearl Harbor. We plan on offering the best time ever for this convention! Our proposed Schedule of Events will show you that we have made a few changes from the normal.

Thank you for allowing me once more to serve you,
 Lou Large
 SDPHS National President

FROM THE NATIONAL SECRETARY... *Carol Gladys*

As we have begun the new year in which we will be Remembering the 75th Anniversary of the attack on Pearl Harbor, I believe we should all make a special effort to encourage our relatives and friends to become active members of our organization. It is only through our efforts to increase membership that the Sons and Daughters of Pearl Harbor Survivors will continue through the years to come. Both the Lineal and Associate Membership Applications are online on our website (www.SDPHS.org) for the convenience of our prospective members. This past year, 2015, we have welcomed 50 new members (33 lineal members and 17 associate members). I am hopeful that many of our new members will be able to attend the SDPHS 2016 Convention in Hawaii.

Sample Biography

Joy W. Beezley, was the son of a Nebraska farmer who enlisted in the Navy in 1928. He spent his early Navy years on the wrestling teams aboard the USS Mississippi, USS California, and the USS Richmond. He won many wrestling honors, including two All Navy Championship belts.

In 1933 he was transferred to the USS Arizona where he spent six and a half years as a member of her crew. While on board he was assigned to the second division and served as the ships' wrestling team trainer and coach. He married his sweetheart, Frieda H. Hahne, in 1936 and they made their home in Long Beach, California. In October 1939, he was transferred to the repair ship USS Medusa. In August of 1941, the home port of the USS Medusa was changed from San Pedro to Pearl Harbor.

On the morning of December 7th, while reading the Sunday paper and enjoying a cup of coffee, the attack began. Beezley was in charge of the forward battery and the 51 caliber surface gun. The officer with the keys for the magazine was ashore. Since the magazine was locked, he gave the order to take the fire ax to the lock. The USS Medusa was credited with sinking one midget sub and downing two planes. After the attack, the USS Medusa went to work in her primary role as a repair ship. Beezley was promoted to the rank of Warrant Officer in 1943 and went on to serve in Bougainville, Guadalcanal, and the Solomon Islands.

He retired in 1958 as a Lieutenant after a distinguished military career. *Submitted by daughter, Carol L. Gladys.*

Chapter, State & District Reports

TEXAS BLUEBONNET CHAPTER 3 by *Sylvia L Withrow, Secretary*

On Dec. 5, 2015, the Texas Commandery of the Naval Order of the U.S. held its 30th annual commemoration ceremony onboard the deck the Battleship **USS Texas (BB-35)** in La Porte, Texas. This ceremony pays tribute to both those who perished and those who survived the horrendous attack on Pearl Harbor 74 years ago on Dec. 7, 1941 and Texas Bluebonnet Chapter 3 of Houston, was on board for the 74th anniversary of the attack on Pearl Harbor. The keynote speaker, **Jill Allen**, a Child Survivor, told her personal story of her family, of what happened, and what they did the day the Japanese attacked Pearl Harbor.

Jill was a 3-year-old whose father Capt. Loyd George Jost was an Army dentist stationed at Tripler Hospital on Oahu at the time of the attack. That morning, her mother had been planning a day at a nearby beach. When the bombs began to fall, she and her mother and sister were rushed to an underground bunker. Because she was so young, all she has are wisps of memory from that time, of the earthen steps leading underground as she and her mother waited, anxiously wondering what had happened to Jost, who worked feverishly attending to dying and wounded servicemen as American forces on Pearl Harbor regrouped and prepared for war. "We did not know what happened to him, or if he even reached the hospital," Jill told the crowd. Six weeks after the attack, she and her family were evacuated to San Francisco, on a 10-day voyage zigzagging along the Alaskan coastline as the ship dodged enemy submarines.

Allen, now 77, said the mass shooting attacks in San Bernardino and Paris underscore the need for Americans to stay vigilant. "Keep America alert," she said, echoing the PHS's motto.

SDPHS member **Reba Watson** cast the wreath in honor of all our service men and women who perished on Dec. 7, 1941. Reba's dad, **JD Harvey** was on the destroyer **USS Farragut DD-348**, which was in port when the Japanese attacked Pearl Harbor. The **Farragut** was one of the first ships out of the harbor. They went out to sea for several days and returned and saw all the destruction.

OHIO LAKE ERIE CHAPTER 2 by *Carol Gladys, Chapter President*

To honor our Veterans, Lake Erie Chapter 2 donated money towards the purchase of wreaths for "Wreaths Across America" at Rittman National Cemetery. Chapter members took part at the placing of the wreaths on the graves on Dec. 19th. It was a beautiful, balmy day and there was a huge turnout of volunteers. **Donna Dreher**, longtime friend of Carol's also participated with her, as well as **Don and Janet Pavlic, Heather Pavlic**, and Heather's mother, **Dottie**, and Aunt **Pam**. The wreath removal and cleanup was held on Jan. 23rd, a very cold and blustery day. **Don and Janet Pavlic**, along with Janet's sister **Diane Jones** braved the weather to help with the wreath removal.

The Chapter was happy to welcome our new Associate Member, **Jane Baran**, at its last meeting. She is very active in Lineage and Veteran's Organizations. Through her, Chapter President, **Carol Gladys** has been invited to take an active part in the **Lorain Veterans Council for Civic Improvement**.

PENNSYLVANIA Elaine McCann, 7th District Director

Granddaughter of Pearl Harbor Survivor Pays Tribute as Part of Her Wedding Celebration. **Rachael Walsh**, now **Rachael McGrath**, included the memory of her grandfather, Pearl Harbor Survivor, **Thomas J. McCann** in her wedding celebration. **PopPop McCann's** World War II experience has always been part of the **McCann** family history. **Rachael**, who is the daughter of **Jim and Kate (Tom's daughter) Walsh**, decided to include part of her family legacy in her wedding celebration. **PHS Thomas J McCann**, of Philadelphia area was at **Scholfield Barracks** on December 7, 1941. **Tom** was also part of the invasion of Normandy in June, 1944. On July 3, 2015, **Rachael** married **Bob McGrath** in a beautiful ceremony. Their wedding was performed by **Rachael's** father, **Deacon Jim Walsh**. **Jim** was a participant in **SDPHS's** wreath-laying on Memorial Day at **Arlington National Cemetery**. Also, **Jim** is a new member of **Sons and Daughters**. As guests entered the reception venue, there was a card at their place setting. The card read "In lieu of favors, we have decided to donate to a very personal foundation to our family". **Rachael** and **Bob** donated a portion of their wedding reception budget, that they otherwise would have spent on party favors, to the **Sons and Daughters of Pearl Harbor Survivors**. Thank you **Rachael** and **Bob**.

A Note from Your Editor ...

Several issues ago I ran an article on 'Offspring Guidelines'. For those of you who may have missed it I will again go over how to get your information into the Offspring.

1. For **anything** you send to me **PLEASE SIGN YOUR NAME**, tell me where you are from and if you hold an office. I can't guess who you might be from an email address! You will be acknowledged in the article.
2. For ANY information intended for print, please **WRITE THE ARTICLE YOURSELF**, even if it is one short paragraph. Do not send me newspaper articles, web pages, etc. for me to do the writing. Members names that are mentioned in the Offspring are shown in **Bold**, so you need to let me know exactly who the members are when mentioning names.
3. Please **SEND GRAPHICS SEPARATELY** as a .jpg attachment. Do not imbed your photo(s) in a document that you have written. **I need any graphic sent as a separate attachement.**
4. Please **DO NOT EDIT PHOTOS**. That is my job. If you have a low resolution photo, changing the resolution to a higher number yourself does not make it bigger or better. It is only as good as the original size or resolution. If possible take the photo at a higher resolution. Most cameras will allow you to change the setting for this.

I hope this helps. If you have any questions I am happy to help. Just give me a call and we can work things out over the phone.
