FROM THE PRESIDENT

If you have not sent a picture of your Pearl Harbor survivor and his/her story, please e-mail it to me (whatever you have, military or home life). I will need to receive it by November 25th to be able to add it to the photo gallery of our survivors at convention. Don't let your survivor be forgotten, send it today! We will continue to collect these until we have all of them.

Once again, it's time for you to elect a new slate of officers to lead the SDPHS for the next two years. It's also time to renew your membership for another year. Dues are due by December 7th of each year - unless you have paid ahead.

Fortunately, I have been able to work with dedicated Executive Board Members, State Chairs and wonderful members across this great nation. My National Officers have gone above and beyond their duty requirements. Our “Team” of leaders have refined our database further, instituted an SDPHS Scholarship, produced the SDPHS Cookbook with a special section

dedicated to the Pearl Harbor survivors, presented Memorial Wreaths, launched a program to gather pictures of survivors and their stories, Chartered another Chapter with more scheduled for the beginning of the year, and expanded our web site to include the Offspring, But mainly we have instituted the groundwork and followed through for the first National Convention hosted and paid for entirely by the SDPHS. There is not enough room for me to name all the goals achieved in the past 2 years. But we cannot stop here, there is so much more to do.

Through loyalty, respect and action, those who fought for our freedom, will be remembered. We can provide the facts, tell their stories across the U.S., and display their memorabilia. This can only result in strength, a prepared nation, and a more diligent younger generation to conduct the business of tomorrow... “Pearl Harbor – December 7, 1941 – Lest We Forget”

Mahalo,
Louella “Lou” Large

CANDIDATE STATEMENT FOR NATIONAL PRESIDENT

Louella "Lou" Large, Ohio I have had the pleasure of serving as your National President and aiding this great organization's endeavors of keeping the memory alive of our Pearl Harbor survivors.

During my past term, a Scholarship Committee was appointed which established the guidelines and point system for the award that was given this past fall. I have started collecting pictures and stories of our PH survivors, which I will continue to do, for historical data to aid in the teaching of the younger generations with hopes to someday have a place stateside for this data to display. We hit our goal for the Memorial Plaque in Washington, DC at the U.S. Navy Memorial. We gave Charters to two new Chapters and have added State Chairs in states that did not have one. We have increased our membership and brought back inactive members to the active status. Memorial

Wreaths have been presented at Arlington Cemetery, Paul Nimitz Memorial Garden and at 3 Memorials in Hawaii during the last 2 years. We have cut our regular operating expenses in many ways. We have accomplished a lot - too numerous to list but there is so much more work to do towards our goal of keeping the memories alive of those who fought on December 7, 1941 and keeping our organization strong for the future. Duties Manuals are being written for the National Officers so future officers have a guideline to follow. We are hosting our first National Convention on our own. I would like to continue another term and appoint members as assistants to positions on the National level so they have the opportunity to learn what needs done and how to do it so if the position opens up, then there would be someone who already knows the tasks. I would like to see a National Convention held on the East Coast or in the South and be a part of its planning. I have been honored to have your support in the past and appreciate everyone who has helped in any manner. I praise our Past Officers for they have been a symbol of dedication and knowledge. This position is not paid a salary nor is any other position. It takes someone who is dedicated to our goals, our membership and those who fought for our freedom. I feel I qualify to represent you for another term and ask that you give me that honor. **Lou has been a member of SDPHS since 1991.**
