## Message from the President Deidre Kelley

This issue of the Offspring recognizes Memorial Day as another opportunity to celebrate and honor our courageous men and women of the military. Although Memorial Day is an American holiday, observed on the last Monday of May, it is also a day to show how much we care about those who have fought and died to keep America free. I attended a Memorial Service at our Jacksonville National Cemetery with about 100 other people. I hope you were able to attend a service or parade with your friends and family.

SDPHS currently has funds to purchase a memorial bench or plaque for placement at a park, cemetery or museum. SDPHS 7th District Director John Kokorchon has recommended purchasing a bench to be located at the new National Veterans Memorial Museum in Columbus, OH. The bench would be located inside the museum and would have a plaque with our name as the donor. The cost of the wooden bench would be \$2,500.

If you have any other suggestions for the location of a plaque or bench, please let me know by emailing [pearlgirl1941@gmail.com](mailto:pearlgirl1941@gmail.com). We would like to make the purchase before our next convention December 7, 2024.

Planning for the 2024 convention to take place in League City, Texas is underway. The convention committee will be meeting with the SDPHS Houston Bluebonnet Chapter in October to select a hotel and sites to be visited by members. We are all very excited and I expect it will be another wonderful opportunity for members to meet, share stories and discuss ways to improve our organization.

I would also like to remind members that we will be accepting scholarship applications on or before June 6, 2024. If you or a member of your family is planning to attend a college, university, or vocational school in the fall of 2024, you can apply for a scholarship of \$1,000 paid directly to the school of choice. For the application and all related information, please visit our website at [sdphs.org](http://sdphs.org).

Thank you for all you do to remember and honor those who served and continue to serve our country “Pearl Harbor ~December 7, 1941~Lest, We, Forget”

Deidre Kelley

## Minnesota Chapter

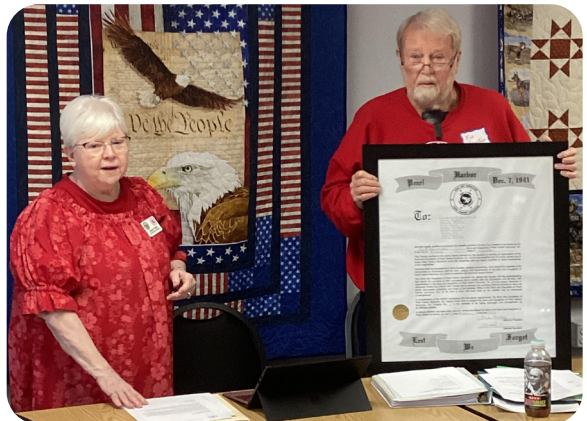

By Nick Johnston

On August 23, 2022, the current and past Minnesota members of the Sons and Daughters of Pearl Harbor Survivors that I could locate held their first meeting in St Cloud, MN. Sixteen members plus James Laud, Sr, District Director of SDPHS, met. There was unanimous interest in forming a chapter in Minnesota. Mr. Laud explained what we needed to accomplish to be recognized by the National office. Officers were elected: President, Charles (Nick) Johnston, Jr; Vice President, Sandra Nypen; Secretary, Paulette Peterson; Treasurer, Jonel Axtel and Trustees, George Freese, Jr, Robert Edquist; and Sara O'dier. Minnesota North Star Chapter 1 was the official name we approved. We agreed to meet quarterly and to try to connect with past members to encourage them to join us. Over the past year we applied for and received our IRS tax exemption number and Chapter dues were approved.

On December 7, 2022 some of our members attended the annual Pearl Harbor Remembrance Ceremony at Ft Snelling National Cemetery on a bitterly cold morning. That evening, I shared some of our member's fathers activities on December 7th on a virtual zoom program that went out statewide to an interested audience. We have already made plans to do the same activities this year. I have requested Governor Tim Walz to sign our proclamation declaring December 7, 2023 as Pearl Harbor Remembrance Day and have been assured that he will do so. Many of us have asked our local Mayors to sign the same proclamation.

On April 15, 2023, our National President and District Director attended our meeting and presented us with our official Charter. We are grateful for the support and direction from National President, Deidre Kelley and District Director, James Laud Sr.

## Texas Bluebonnet Chapter 3

By Sylvia Withrow

On Monday, May 29th Memorial Day, members of the SDPHS Bluebonnet Ch3 Houston Texas participated in the “Parade of Colors & Wreaths” at the Houston National Cemetery to Honor our Fallen Veterans.

Rick Lawrence, Doan Nguyen, Ramona Charles, Friends of Jill, Jeff Smith, Tony Maloney, Jennifer Ellis.

### Memorial Day 2023

Flags for Fallen Vets organized hundreds of volunteers to place flags in all the gravesites at the Houston National Cemetery.

We honor our SDPHS Veterans, and their family veterans, that are in eternal rest at this beautiful cemetery. They will be forever honored and remembered. Honoring our Fallen Veterans

### SDPHS Bluebonnet Ch3 toured the 1940 Air Museum at Hobby Airport, Houston, Tx

The Lockheed Model 18 Lodestar was developed in the late 1930s. With the outbreak of WWII, the Lodestar was ordered for military service. This Lodestar was built as a C-60A and delivered to the USAAF on December 22, 1942. In 1968, Houston businessman Paul F. Bartnhard purchased the Lodestar and operated it as his business aircraft until he donated it to the Houston Aeronautical Heritage Society.

Rick Lawrence and Jeff Smith presenting our new Bluebonnet Ch3 banners to be used for future events. Two banners were purchased to be displayed on both sides of Tony Maloney’s Humvee for the upcoming Friendswood 4th of July parade.

The gun on the USS Texas Battleship trailer is a 20mm Swiss Oerlikon Gun. A crew of six to eight men manned each 20mm Oerlikon. Beginning in 1941, the US Navy installed this type of gun aboard the Battleship Texas. By 1945, during WWII, the USS Texas had 44 Oerlikons aboard the ship.

The max range is 4800 yards and max effective range is 1,000 yards and can fire at 450 rounds a minute.

Asher Higgins not armed but ready!

## Nebraska Chapter

By Peg Murphy

The Nebraska Bo Wilson Chapter 1 participated in the 3rd Annual Patriotic Parade in downtown Omaha on May 27th, during Memorial Day Weekend. The parade featured over 100 entries and honored Gold Star Families, Veterans and First Responders. Special guest at the parade was Lt Col George Hardy, a Tuskegee Airman, and included a flyover by a restored P51C Mustang. This year our chapter added a truck with SDPHS door magnets, and a flag attached to compliment those who walked in the parade and carried our Chapter Banner. Following the parade the Chapter had a luncheon and held their Annual Business Meeting. Jason Groff, one of our Chapter members, has an extensive Pearl Harbor, as well as other military memorabilia collection that Nebraska Chapter Members were able to view afterwards.

Financial Report January 1, 2022 to December 31, 2022

Beginning Balance 1/1/22 \$43,617.09

Income \$41,896.33

Expenses \$30,176.77

Ending Balance 12/31/22 \$55,336.65

- Per request from Kathleen Farley, it was noted that the E-Board decided that Child Survivor donations will be rolled into the general fund. There will be a notice in the next Offspring that these donations will be rolled over into general fund.

Move to approve -- Mary Schiano, John Kokorchen second. Approved.

## Small Stores Report – Deidre Kelley

- Small Stores page on website -- Is up and running. Two purchases have been made and the process worked very well. Purchasers receive orders in about a week. Money goes into PayPal.

- PayPal charging 4% fee on items -- We will have to add at least \$1 to each item in small stores because of this fee. Dee investigated other types of payment applications. PayPal seems to be the best application so far.

- Price of postage increase – We may need to increase the price of items even more. Dawn will check out shipping prices and get them to Dee. Dawn's sister does extensive shipping for her eBay business and will be a great resource. It may be more cost feasible to switch to UPS or FEDEX for shipping items.

- Dee will figure out shipping and PayPal fee and add it to the small store prices in the next newsletter.

# SDPHS EXECUTIVE BOARD MEETING (via zoom)

- Dee will weigh items and try to come up with an appropriate shipping fee. Barbara Ford moved to buy a scale to make weighing easier and more accurate. 2nd Mary Schiano.

## District Director Reports

### Kathleen Farley – District 1

- Reported her Chapter is strong. They have 41 active members – all paid status; meet every month and will attend two Memorial Day events: morning at veteran's monument with VFW, dignitaries, and politicians and in the evening at Danville for Beacon Lighting on Mt. Diablo. Mt. Diablo now has three events attended by SDPHS Chapter -- December 7; Veterans' Day; and Memorial Day. This chapter has at least five chapter members going to Hawaii for 83rd anniversary at Pearl Harbor. They also have five PHS in the area and one of those is from the USS Arizona and all PHS are over 100 years old.

### Dawn Stubben – District 3

- Will be attending several Memorial Day events with family and other members from her Chapter. Dee will get with Dawn about the Utah group who was trying to start Chapter with Richard Huguen.

### Lois Heineken -- District 4

- Lois has had health issues but intends to start things again this summer. Will be going to Cleveland in June for recommissioning of the COD on Lake Erie on June 20.

### Jim Laud – District 5

- Jim recently visited PHS Ed Miklavcic who is 103 years old and lives near Milwaukee; and visited another PHS, Rollie Brier, 101 years old, near St. Cloud. Jim and Dee attended the first official meeting of the new Minnesota North Star Chapter 1 in April to present their Charter and install Chapter officers. Members started their Chapter without any living PHS. We could learn from them.

### Fred Rudder – District 6

- Fred had personal family issues and is looking forward to the summer to get going again.....He will be talking about SDPHS in his church and at other events such as 4th of July and Memorial Day. He would like more stories for his website and would like to know what folks will be doing for Dec 7th this year.

### John Kokorchen – District 7

- John contacts all new members as he receives their names. The National Veteran's Memorial Museum in Columbus, Ohio, will be having a ceremony for Memorial Day and he will be attending either online or in person, depending on the weather. He hopefully will be more active this summer.

### Kathryn Schwartz – District 8

- Kathy places flags at the cemetery and works on tattered flag retirement each year.

## PHS Archivist Report - New Archivist Michael Naya

- Dee invited Michael to attend this meeting but he wasn't able to be present. She will invite him to the next meeting.

## Old Business

- 2022 Convention Comments – All comments positive, particularly how Dee allowed folks to tell their stories as they were introduced at the banquet. Kathleen Farley heard from one member of her chapter who attended and was told it was "excellent". His wife is child survivor but didn't know he could attend the general meeting and so didn't. He will know for the future. SDPHS conducted their own Dec 7th remembrance ceremony and folks liked how that went and thought much better than going to another event off site.
- Planning has started for Houston, Texas convention December 4 – 7, 2024. Please fill out the survey that was sent to you.
- New SDPHS Chapter in Minnesota – North Star Chapter 1 -- This was a great event. We need more chapters! There are only seven active chapters

in SDPHS at the present time.

- Dee has been working on updating handbook for District Directors, State Chairs and Chapter Presidents. The handbook is pretty good as it is but Dee is taking out the blank pages. Dee will send out hard copy to all wanting one. She sends a copy of the Constitution and Bylaws to all new members and has for past four years.
- Memorial Bench or Plaque - \$3,715 available – John has checked out bench situation at the National Veteran’s Memorial Museum in Columbus, Ohio. There is a great place inside for Pearl Harbor Survivor bench. John will check the price of an inside bench with plaque and get back to Dee. Fred will check with the Kimmel family about museum they were going to start in their father’s hometown.

**New Business**

- Should Associate Members be eligible for scholarship?  
No.

**Good of the Order**

- The Georgia Harry Robert “Bob” Kerr Chapter 1 has returned their Charter with the death of Al Pomeroy. Dee is hoping members in Georgia will want to restart at some time in the future.
- Jim gave presentation on why he would like SDPHS to make a donation to the Honor and Remember group. They give flags to families of fallen soldiers (from WWI thru Afghanistan) and they have an Honor and Remember run from Ft. Wayne to Indianapolis. They stop every mile and honor four or five fallen soldiers. Their website is honorandremember.org. It was decided to table discussion until a later date.

**Benediction – Dee**

**Adjournment -- 3:10 pm EST**

**SDPHS EXECUTIVE BOARD MEETING (via zoom)**

**SDPHS Executive Board**

The internal audit of the Sons & Daughters of Pearl Harbor Survivors for the year 2021 has been completed. Your SDPHS Trustees, Lois Heineken and Carolyn Sparks, performed an audit of the entire year individually and came to the same conclusion that the final figures are correct. In 2021, the officers worked with a new website developer and a new program. The website is now able to accept payments online. The bank fees are withheld before the Treasurer receives the deposit. We did have to ask for explanations on several special funds. The President and Treasurer helped us each time we asked questions. At this time, we feel all issues were resolved and corrected.

The beginning figures for January 1, 2022:

General Fund	\$40,155.47
Memorial Fund	\$ 2,722.25
Scholarship Fund	\$ 1,474.89
Convention Fund	
PH & Child Survivor	\$ 1,481.65
Total	\$43,617.09

This balances the book balance plus the 3 outstanding checks equals the bank balance 12/31/21 of \$44,362.98.

The Small Stores inventory is attached. The balance of merchandise value as of October 31, 2022 is \$14,587.25.

We appreciate the cooperation of the President and Treasurer providing us with the needed information.

Respectfully submitted: November 28, 2022
